Relevant Experience

Frontend Developer, **Field Interactive** 2015 — Present

- Cutting-edge frontend implementation prioritizing mobile compatibility and adhering to current web standards. Tailored to meet the unique requirements of various client projects, whether static, built on TYPO3, or utilizing Shopware
- Assistance for designers in web design, including cost estimations, feasibility assessments, development, and presentation of web layouts
- Continued support for client projects, including maintenance and updates for content management systems, as well as ongoing assistance post-launch
- Provision of internal and external editor training, as well as comprehensive TYPO3 training sessions
- Frontend training services available, led by a digital and print media designer with a specialization in digital media

Frontend Developer, **Freelancer** 2023 — Present

- Full-Responsive Websites in the Content Management System TYPO3: I specialize in crafting fully responsive websites utilizing the TYPO3 content management system. These websites are designed to adapt seamlessly to various screen sizes and devices, ensuring optimal user experience across desktops, tablets, and smartphones
- Customized Web Designs. Each design captures the distinct essence of the client while retaining a timeless allure that deeply connects with their intended audience. Whether it's a sleek corporate website or a vibrant e-commerce platform, my designs are tailored to leave a lasting impression on visitors
- Ongoing Support, Maintenance, and Updates for TYPO3 Websites: I provide reliable support to keep websites running smoothly even after launch. This includes regular updates to ensure optimal performance and security.

Frontend Developer, **parallaxis** 2013 — 2015

- Frontend Development Expertise in TYPO3 and Shopware: Proficient in frontend development within TYPO3 and Shopware environments, ensuring seamless user experiences and optimal performance for websites and online stores
- Custom Web Design Solutions for Corporate Websites and eCommerce Platforms: Offering tailored web design services to enhance the online presence of businesses, delivering visually appealing and user-friendly designs that align with brand identity and drive conversions
- Professional Prepress Services for Business Collaterals: Providing comprehensive prepress services for business essentials such as business cards, flyers, and other print materials, ensuring high-quality print outputs that accurately represent the brand and its message

Marketing, **Mylight Lichtkonzepte** 2012 — 2013

- Corporate Identity Creation: I was responsible for developing the corporate identity, including the creation of the company logo, colors and fonts
- Offline Marketing Collaterals: Offering a wide range of offline marketing materials including business cards, flyers, information brochures, and vehicle wraps
- Online Design Expertise: Specializing in designing engaging online content such as advertisements, social media posts, and web layouts
- Recent Website Relaunch: Proudly announcing the successful launch of the third version of the company website, showcasing my commitment to staying current with evolving design trends and technologies

Skills

Programming Languages

JavaScript, TypoScript, HTML, Fluid, Twig, CSS, Sass, PHP

Libraries & Frameworks

TailwindCSS, jQuery, Alpine.js, GSAP, Bootstrap

Tools & Platforms

Git, Github, TYPO3, Shopware, Figma, Wordpress, Adobe CC, Docker, DDEV, PhpStorm, VSCode

Selected Projects

Fahrschule LB

The website was developed using Alpine.js, TailwindCSS, SASS, Fluid and TYPO3, and was specifically optimized for mobile visitors.

Mylight Lichtkonzepte

A wide range of marketing activities have been carried out, including the creation of a new logo design. The third version of the company website has been successfully relaunched in TYPO3.

Rechtsanwalt Wiethoff

Developed a fully responsive TYPO3 website with a custom design. As part of the relaunch, the logo was redesigned. A unique feature of the contact form is its ability to securely provide powers of attorney and other essential documents.

Interests

Snowboarden, Motorcycle, Darts, Tech
